

NCT

When we manage the paperwork, we free you to focus on the heartbeat of your work — *people*.

NCT | CaseWorks™
is on mission to help
Health and Human Services
teams serve their communities
with ease and efficiency
through purpose-built
Better Document Management

Financial Services Edition

Helps Eligibility Workers administer public assistance programs for food, cash, childcare, and emergency programs.

Child Support Edition

Assists Child Support Officers as they help custodial parents navigate the court system to win child support judgements & facilitate enforcement of those judgements.

Social Services Edition

Supports Social Workers and Case Managers as they protect people from harm, help people live independently, and license care providers.

Healthcare Edition

Support Healthcare Eligibility Workers as they help citizens apply for healthcare assistance & determine eligibility for assistance.

Follow us on LinkedIn

Workforce Edition

Supports Employment Counselors as they guide unemployed citizens through career training and the job application process.

Accounting Edition

Assists Accounting Technicians as they process payments for Health and Human Services.

CONTINUOUS DELIVERY MODEL

Caseworks software evolves with your needs so your technology remains current and effective. Experience ongoing IT development and support from the NCT team.

INTEROPERABILITY

Securely transfer, copy & move documents between editions and teams, streamlining and expediting the services you deliver to clients.
